(FOR ADDRESS ONLY.)

Ballynahinch Lake is a long, narrow and picturesque loch in western Connemara, about three miles in length. Its waters afford a magnificent series of views of the Twelve Bens, a fine group of mountains the highest peak of which is Benbaun (2,395 ft.). On the shores of Ballynahinch Lake stands Ballynahinch Castle, at one time the home of the powerful Martin family, who "reigned" in these parts.
